

## **Disclaimer:**

U3O8Blog is a forum for uranium industry dynamics. This includes news, media and information updates for investors as well as industry specialists. U3O8Blog welcomes comments and discussion and does not censor comments based on political or ideological points of view. However, we will delete comments that are abusive, off-topic or promotional. When speaking to the topic of uranium industry; we encourage comments that include links to supporting information as this helps enrich the conversation. Users who make unsubstantiated claims can expect their posts to be deleted and, if they persist, their IP address will be blocked. Name-calling and/or a pattern of disrespect for other U3O8Blog users will not be tolerated. We ask that posts include contributors who identify themselves accurately rather than using nicknames. U3O8Blog is owned by Pro-edge Consultants Inc. Contact us at 1-866-544-9622 or 416-581-0177 or [info@pro-edge.com](mailto:info@pro-edge.com).
